

System Admin

Checklist Items

In this section you can add the checklist items required to be completed for manuscript submission.

The screenshot displays the 'Checklist Items' configuration page in the System Admin interface. On the left, a sidebar under 'Journal Settings' lists various options, with 'Checklist Items' selected and highlighted. The main content area contains a form for adding a new checklist item. The form includes four input fields: 'Checklist Item Title', 'Checklist Item Title [English]', 'Comments', and 'Checklist Type'. The 'Checklist Type' is currently set to 'Mandatory'. At the bottom right of the form are 'Cancel' and 'Save' buttons. Below the form, there is a table header with a '#' column and a 'Checklist Item Title' column, followed by a 'Save' button.
