

System Admin

Static Page

Here you can add different static pages you would need in your journal.

Click on Static Page in Announcement section.

System Admin

Click on **New** create a static Pag.

The screenshot shows the 'Static Page' form in the System Admin interface. The form is divided into several sections: 'Title', 'Content', 'Path', and 'Status'. The 'Title' field is labeled 'Journal Forms' and has a red circle with the number 1 next to it. The 'Content' field is a large text area with a rich text editor toolbar above it, containing a red circle with the number 2. Below the content field, the 'Path' field is set to 'p > strong' and the 'Status' dropdown is set to 'Enabled'. A checkbox labeled 'Show in Main Menu' is checked and has a red circle with the number 3 next to it. At the bottom right, there are 'Cancel' and 'Save' buttons, with the 'Save' button having a red circle with the number 4 next to it. The left sidebar of the System Admin interface is visible, showing options like 'Settings', 'Manage Users', 'Announcements', and 'Financial Report'.

1. Enter the Static Page title
2. Enter the content of the page
3. Select the checkbox if you want the static page being linked to main menu
4. Save Static page
